

Idaho MMIS Transition News

Idaho MMIS Website

The new Idaho Medicaid Management Information System (MMIS) website is here! Join our website open house at: **www.idahommis.dhw.idaho.gov**. Helpful information is posted to the website so bookmark the page and plan to visit regularly.

What does this mean to you?

Now is a great time to explore the website and learn about how the new claims payment system will integrate with your billing processes. You'll find answers to frequently asked questions (FAQs) on the new Idaho MMIS. You can track the system implementation and make proactive adjustments in your office procedures if needed. This website is the best source of current Idaho MMIS information.

Worried You Might Miss Something Important?

Not to worry, you will receive several letters in the coming months regarding the Provider Record Update and trainings. Watch your mail; these letters contain important information that is vital to successfully updating your provider record. You will also get information about upcoming trainings, and how to ensure you reserve a spot in the training. Please make sure you read the letters carefully so the move to the new Idaho MMIS is simple and successful.

Planning for extensive statewide outreach is in process and includes face-to-face group and individual training as well as online training opportunities. Training materials will be available on the web at **www.idahommis.idaho.gov** and trained staff will be available by phone and email to support providers through the provider record update process.

We are very excited about the new Idaho MMIS! Look for more information about the Website and the Provider Record Update over the next few months, and continue to watch the Medicaid newsletter for information that's important to you.
